## Covid-19 Comes Home

**F**ATHER Bob Werth serves as an on-call chaplain at Monroe Community Hospital on Wednesdays. So, he must be tested for the coronavirus every week. He did so on Saturday, and yesterday, Wednesday, he was called and told his test was positive. He has NO symptoms, but we are both required to be quarantine for 14 days. We are both very well, and we thank you for all of your prayers.

Fortunately, with the help of the Diocese of Rochester, we have obtained coverage for the weekend Masses.

At this time, we have plenty of food.  
Thank you! Fr. Mickey

**PADRE** Bob Werth sirve como capellán de guardia en Monroe Community Hospital los miércoles. Por lo tanto, debe hacerse la prueba del coronavirus todas las semanas. Lo hizo el sábado y ayer, miércoles, lo llamaron y le dijeron que su prueba era positiva. No tiene síntomas, pero ambos debemos estar en cuarentena durante 14 días. Los dos estamos muy bien y les agradecemos todas sus oraciones.

Afortunadamente, con la ayuda de la Diócesis de Rochester, hemos obtenido cobertura para las misas de fin de semana.

En este momento tenemos mucha comida. Gracias! Pd. Mickey
